Terms and Conditions: To take advantage of this special offer, please be sure to submit a completed slip or storage contract with deposit. This coupon must be completed and returned to a Mid River representative prior to inquiring about slip or storage availability at Mid River Marina in order to be eligible for discount. To qualify as a "New Customer," a boat owner must not have occupied a seasonal slip or stored at Mid River Marina during the past two years. Discount will be applied to the referring customer's account only after the new customer and the referring customer have paid the balance due in full (for which ever rental you sign up for). In the event that either customer does not pay the balance due in full in compliance with the slip or storage contract Terms and Conditions, this offer shall not be valid and 100% of the slip or storage price shall be due and payable by both customers. This offer cannot be combined with any other offers or discounts. Offer valid for the _____ summer season and the _____ winter season and you will both save 5% off slip or storage charges!
